

Local School Places Third in Wetaskiwin Track Meet Friday

Athletes from the Lacombe School placed third in the annual Wetaskiwin track meet held last Friday at Wetaskiwin. Wetaskiwin won 54 points, Camrose 76, Lacombe 53, Ponoka 47, Leduc 22 and Millet 15. Lacombe took most of its points in the Girls' classes, with Doris Dunlop taking one first and two thirds in the Girls 18 and over class, and combining with Kay Hay, Gerda Mattson and Grace McLeod to win the relay in the same class. This same team also won in the "over 18" class.

Kay Hay dominated the "girls under 18" class by taking two firsts in as many entries. Eunice Thilman took a third in the "over 18" class in the high jump event. In the "under 18" class, Mildred McKay and Betty DeLong took a first and a third each. The relay team, Betty DeLong, Mildred McKay, Loreen Brooks and Eleanor Trott, took first place. In the Boys' classes, Andy Gilmore and Charles Reed placed in the "under 18" class. Fred Todd topped a first and third and Barry a third in the "under 18" class, and Douglas Carr won two thirds. Dick Krogman, a second in the "over 18" class. The relay team, in this class, consisting of D. Carr, R. Wilkes, D. Krogman and Elmo Barry, placed first.

AT RED DEER

The sports meet held at Red Deer Saturday for school children ended. Reg Wilkes received 18 points in the boys "under 16" classes to give Lacombe the edge in this entry list. E. Barry and R. Wilkes also topped thirds in the "under 20" class.

In the girls "under 12", Jessie Minkler took a second place for Lacombe; Donald West, Danny Frizell and Bob McLeod took prizes in their respective classes. Ethel Frizell and Jessie Teare came second and third in the "under 18" class. The girls "under 18" class was all Lacombe as Velma Rusk took first; followed by Darlene Calkins and Gwen Parsons. These three girls also came 1, 2 and 3 in the broad jump class.

Hopes of Hockey Club Here Dim

The meeting of the Lacombe Hockey club, which was called for last Friday at 8 o'clock in the Town Hall, was postponed because of poor weather. The more that ten turned out to the meeting, and hopes for a hockey club this coming season dimmed. Hockey fans who turned to the meeting, however, discussed at length a plan to form two midge teams to be sponsored by local organizations. The chief aim of this plan would be to provide training facilities for the children of the town along hockey lines, at the same time providing material for future senior hockey teams here. It is expected that this plan will go through.

LACOMBE DROPS RUGBY GAME TO RED DEER 6-5

Lacombe dropped a 6-5 decision to the Red Deer school rugby team in a game played at the local school grounds Wednesday October 5. Play was close and no score was made until Red Deer crossed the local goal line to make it 5-0. Wilkes was roused upon after to put the Red Deer club six up, but Lacombe came back with a series of end runs to make the score 6-5. Haverstick, the convert, H. Haverstick and L. Hainsworth followed Lacombe's attack after the first half.

CHURCH DECORATED FOR HARVEST THANKSGIVING

St. Andrew's Church was beautifully decorated for the special Harvest Thanksgiving services Sunday, at which Arthur Carr, pastor of Rev. A. L. Carr, gave the sermon. The work of decorating the church was carried out by the Senior Young People's Group. Ferns, shrubs of white, red and yellow flowers were used to make a fine display.

This Week's Thought

The truest self-respect is not to think of self.

He's Ambitious

Mickey Rooney is still in his teens and yet he is a veteran stage and screen artist. One of his ambitions has already been fulfilled, that is to play opposite Wallace Beery, for they are now appearing together in "Stablemates". The other ambition is to become a motion picture director.

Miss Jean Saunders Wins Diamond Ring at Dance Monday Night

Close on 600 attended the Thanksgiving Day Dance held in the Central Alberta Pavilion last Monday night, and according to glowing comments frequently heard, lived up to the reputation gained from previous years. The event is sponsored annually by the St. Cyprian's Men's Club.

Naturally, the giving away of a diamond ring, to the lady with her escort, on or nearest to the secret spot on the dance floor, during the supper waits, when the orchestra stopped playing, kept the dancers up to the greatest excitement.

The young lady fortunate enough to win the prize was Miss Jean Saunders of Woody Nook, and the many congratulations extended her, proved the popularity of this young lady. The dance continued into the "wee sma' hours" and again proved a popular success.

Music was supplied by Ritchie's Rhythm Fancials and Jack Roberts acted as floor manager. The ring was presented by T. W. H. Lewis.

New Caretaker Hired for Hospital

Albert Bernard of Edmonton was engaged as the new fireman-caretaker at the Lacombe and District Community Hospital, the engagement to commence at the annual district meeting held on Sunday night. The appointment will not be confirmed by the board until the expiration of 30 days. Mr. Bibby, the present caretaker, will leave his present engagement within a month.

During the month of September, there were only 348 patient days at the hospital, it was reported, an average of just over 10 patients per day.

DR. W. A. HENRY RECEIVES HIGH MASONIC POST

Dr. W. A. Henry of Bentley, a member of Eureka Masonic Lodge (Lacombe) was elected District Deputy Grand Master at the annual district meeting held in Red Deer on Wednesday (yesterday). Over 150 turned out to the district meeting, about 15 from Lacombe being present. Next year, it was decided, the meeting will be held in the Central Alberta Pavilion here.

INSTAL FLAG POLE AT MEMORIAL PARK MONDAY

Members of the staff of the Experimental Station gathered at Memorial Park Monday afternoon to place in position the flag pole owned by the Last-We-Forgot Club. The flag pole is now in its place, and ready for service.

Those who volunteered their services were S. Edmunds, N. McFarlane, R. Graydon, A. Pollock, D. McFadden, L. Edmunds, W. Anderson, J. Gibson and N. Glasgow.

Petition On Larger School Unit Plan to be Circulated in M. D. Crown

Opinions of School Trustees on Plan

Many and varied were the opinions expressed at the meeting of rural schools representatives held Tuesday night to discuss the Red Deer Larger School Unit. Following are some of the opinions expressed:

O. W. Huettelheuser, reeve of Municipal District of Crown—This is not a political issue; it is much more than that.

H. E. Heath, Woody Nook—I opposed the larger school unit more or less violently in the past; but I'm not opposing it any longer.

J. Alexander, West Branch—(If this unit goes into effect) we're signing away our freedom.

W. Somerville, Westling—I believe the rural schools are the property of the people—not the government.

J. Proudfoot, Spruceville—We pay the teachers and we ought to hire the teachers.

N. E. Spring Valley—If the larger unit will be run by the rural representatives on the board, I can't see that there would be much difference in the financing of the schools.

W. R. Barker, Mountain Grove—It seems to me a waste of time to try to fight this thing. The only thing we can do is to take hold and try to make something of it.

J. Brinson to Speak Here at Public Meeting

A meeting, under the auspices of the Lacombe Social Credit Association, will be held in the Church Hall on Thursday evening (tomorrow) at 8 o'clock. John Brinson of Three Hills, originator of the Co-operative Consumers' Associations, will explain the workings of the Treasury Branches of the Provincial Government being opened throughout the Province.

N. James, M.P., and D. B. MacMillan, M.L.A., are expected to be present. All are cordially invited to attend.

Tees Boy Falls From Railroad Box Car; Unhurt

(From Our Own Correspondent)

TEES.—Montclair Morris, a 12-year-old school boy of this district, fell from the top of railway box cars last Thursday, sustaining bruises and slight facial injuries. The boy was running along the top of the box cars (a thing he and other boys had been warned not to do) when he suddenly came to a distance between the cars too great to be leaped. His momentum carried him over the end of the car and he toppled head-first to the ground, barely missing the draw bar on the next car. He struck the railway ties heavily, miraculously escaping serious injury.

Thief Shot by Local Police; Given Six Months

Robert Cowan, giving his address as Toronto, was apprehended by Constable Cecil Mosier on Sunday night about 10:15 o'clock, when caught after breaking and entering the office of John Graydon, stock buyer. Two other men seen outside ran when they saw the constable approaching. Cowan attempted to run, when Constable Mosier shot to warn him against attempting to escape. Cowan was accidentally shot through the calf of the right leg.

He was given medical attention by Dr. F. G. Stewart immediately and his trial held on Tuesday morning, Oct. 11, under Magistrate E. H. Jones. Found guilty and was sentenced to Fort Saskatchewan for six months at hard labor. Vigilance on the part of the local police has prevented several attempted robberies recently.

SPRAINS ANKLE IN FALL

Mrs. A. M. Frizell fell and sprained her ankle Wednesday afternoon while cleaning windows at her home. She will be up and around again in a few days.

Thirteen Rural Schools Represented to Discuss Larger School Unit in This District; Petition Seeks Information Only

Thirteen school districts within the Municipal District of Crown were represented at a meeting held in the Town Hall on Tuesday night to discuss the formation of the Red Deer Larger School Unit, the formation of which will affect the schools of the Lacombe district. After considerable discussion, it was finally decided to circulate a petition among all schools which would be affected by the institution of the Red Deer Unit, in an endeavor to ascertain the feeling of the people regarding the Larger Unit Scheme. The schools represented at the meeting were Arbrodale, Aspelund, Canyon, Central, Lincoln, Milton, Mountain Grove, Scott, Spring Valley, Spruceville, West Branch, Westling and Woody Nook.

Can You Beat It?

L. Morter, living 14 miles north-west of town, grows real wheat. In a carload of grain containing over 1200 bushels, and which graded 3 C.W. Garnet, there was no dockage deducted. This is the first wheat shipment, with no dockage yet heard of in this district this year. The wheat was marketed through Tom Lorimer at Aspen Beach and was threshed by George Bush.

Lois Ebeling, living south of Gull Lake, recently picked a carrot out of his garden which weighed one pound, fourteen ounces. The carrot was in nine inches long and 1 1/4 inches around at its thickest point.

Muskmallows ripen rarely in this district, but Mrs. H. O. Peterson of the Lakeside district reports that she picked good size muskmallows two weeks ago from her garden which were fully ripened.

W. C. Sweet of Lacombe recently picked four quarts of Burbank plums from a tree in his garden here. The plums, sweet and juicy, were only slightly smaller than an average-sized cherry.

Jim Riddoch of the Joffre district recently picked about twenty pounds of raspberries from his garden. That's something for October. The berries were large, tasty and juicy—we know, we had a sample.

NEW ARRIVALS

Recent births at the Lacombe and District Community Hospital are:

Adams of Lacombe, a daughter, on Oct. 5. To Mr. and Mrs. C. Kamah of Lacombe, a daughter, on Oct. 5. To Mr. and Mrs. B. Adams of Lacombe, a daughter, on Oct. 11.

Tea and Sale Held by Social Credit Group

A very successful tea and sale of baking was held by the Ladies' Auxiliary of the Lacombe Social Credit Group, on Saturday, October 8. Visitors were present from Mirror, Alix and Tees, among whom were Mrs. D. B. McMillan and Mrs. N. James. Tea tables were prettily arranged with autumn flowers and a delightful program entertained the visitors. Mrs. James sang two beautiful contralto solos. Miss Lucille Frizell and Miss Gertrude Brillinger sang a duet with guitar accompaniment. Miss Clara Abbott and Mr. Chapin played a banjo duet and Mr. Barreau gave a tap dance. The funds of the society were augmented by some \$29.00.

WILL BE AT HOME

Mrs. F. J. Emmett will be at home on Tuesday, Oct. 18, from 3 to 6 o'clock in the afternoon and from 8 to 9:30 in the evening.

76 Carloads Grain Shipped at Bentley

(From Our Own Correspondent)

BENTLEY.—Seventy-six carloads of grain were shipped from Bentley from Sept. 7 to Oct. 1, according to information received from elevator men here. These shipments consisted of 102,000 bushels of wheat and 8,000 bushels of barley. Besides this quantity already shipped, there are 88,000 bushels of wheat in store in the local elevators. During the month of September there were eight carloads of feeder cattle shipped in and distributed to the farmers of this district.

Banquet to be Tendered Mayor E. H. Jones Next Monday Night

Much interest is being evinced in the banquet and presentation sponsored by the Lacombe and District Board of Trade to Mayor E. H. Jones next Monday night in the Adelphi Hotel, and a large attendance of Lacombe and district citizens is being prepared for.

The event is not confined to members, and any man desiring to attend the function is cordially invited. The banquet will start at 7:30 o'clock sharp.

The agenda was a full one, and many problems affecting the weekly newspapers were discussed. Mayor A. Davison of Calgary welcomed the visitors on behalf of the city, at a luncheon on Friday, the hosts being the Calgary Herald and the Calgary Albertan, at which the guest speaker was W. A. Lincoln, F.D., head geologist of the Royal Oil Co., who gave an interesting talk on the Alberta oil fields.

Clive Policeman Injured While Making Arrest

(From Our Own Correspondent)

CLIVE.—Constable W. Morter received a broken collar bone last week when endeavoring to arrest two drunks in front of the hotel here. The two men, while on the long man and him sufficiently hard to break his collar bone in four places. Volunteer aid was rendered by citizens of the village and the two men were soon placed under arrest. They appeared before Magistrate G. P. Gore-Riddoch in Red Deer over the week-end; one was given four months imprisonment for resisting arrest, and the other person was fined \$25.00.

Constable Morter, a patient in the Community Hospital, Lacombe, for a short time, has now been discharged.

MRS. BURRIS DOING WELL

Mrs. W. Burris, 89-year-old pioneer of Lacombe and District, is a patient in the Community Hospital, Lacombe, suffering from a heart ailment. Her condition is described as "satisfactory."

Lacombe Speed Limit 25 m.p.h.

All residents of Lacombe and district are warned to observe the speed limit within the confines of the Town of Lacombe. Twenty-five miles per hour is the rate of speed set by the provincial government within any town, with stop roads at the intersection. At 20 miles per hour. Ten miles per hour is the lawful speed for turning at any intersection.

Stop signs, also, must be observed, declared Chief of Police F. P. Holgate. Under provincial statutes, all roads leading into a main highway are automatically stop roads at the intersection, whether a sign is erected or not. Automobile drivers are asked to exercise care and observe these regulations.

such as collections through drafts, transmission of funds, and paying agencies would be undertaken as the plan developed. Speakers stressed the importance of the retailers' role in the commercial and industrial set-up of the province.

G. A. Clash stated that the products of the 902 factories now operating in the province will be handled by the Government, certified, and stamped with a label containing the words, "What Alberta Makes, Makes Alberta."

Lacombe Globe Is Judged Best Alberta Weekly Newspaper

The Lacombe Globe won the annual better weekly newspapers competition for Alberta papers with a circulation exceeding 750 at the annual convention of the Alberta Division of the Canadian Weekly Newspapers Association held at the Palliser Hotel, Calgary, Friday night, Saturday, The Vulcan Advocate was the winner of the "under 750" circulation class. Each winner received an engraved shield which they hold for one year and a fifty-dollar cash prize, put up for annual competition by the Grain & Milling Advertising Service Ltd., Winnipeg. The prizes were presented by Cecil Lamont, manager of the firm.

A large number of editors from all over the province attended, with President F. P. Galbraith of the Red Deer Advocate presiding. In the President's report for the past year, it was noted that the Alberta weekly newspapers enjoyed a higher prestige in public opinion than ever before, which was no doubt due to the energetic and successful fight they waged in conjunction with Alberta Daily Newspapers for the freedom of the press in this Province.

The agenda was a full one, and many problems affecting the weekly newspapers were discussed. Mayor A. Davison of Calgary welcomed the visitors on behalf of the city, at a luncheon on Friday, the hosts being the Calgary Herald and the Calgary Albertan, at which the guest speaker was W. A. Lincoln, F.D., head geologist of the Royal Oil Co., who gave an interesting talk on the Alberta oil fields.

Open Forum Held

The open forum session was given over to an open forum and enlightening addresses by B. E. Caniff, of Caniff-O'Brien Printing Co., Calgary, on "The Printing of Job Printing," and "The Value of Accountancy for the Small Business," by Kenneth J. Morrison, C.A.

A reception by the Grain and Milling Advertising Service, Ltd., Winnipeg, was tendered the visitors, before the annual dinner, at which a wholesale paper publisher, B. E. Caniff, of Caniff-O'Brien Printing Co., Calgary, presided. The dinner was held at the Stanley Paper Co. were the hosts. The guest speaker was W. A. Lincoln, who gave a splendid talk on "The Rise and Fall of Civilization." A novelty entertainment program of dancing, singing and magic followed, under the direction of Miss Norma Robbins.

Ladies Are Entertained

The ladies attending the convention were entertained on Friday afternoon by the Calgary Women's Press Club.

Several resolutions were passed at the closing session, and the following officers elected for the ensuing year:

Past President: F. P. Galbraith, Red Deer Advocate; President, R. E. Caniff, Macleod Gazette; First Vice-President, H. J. Ford, Lacombe Globe; Second Vice-President, R. L. King, Carleton Place; Secretary, Miss H. I. McCrea, Harewood Herald; Executive: J. E. Gooder, Dictionary Pioneer; D. A. Albertson, Chauvin Chronicle; W. H. Schierholz, Rocky Mountain House Mountaineer; R. Ennis, Leduc Representative; C. W. Frederick, Peace River Record.

MISS L. HARRINGTON WINS SPOON COMPETITION

Miss L. Harrington won the first light spoon competition at the Ladies' Golf Club during the season's play. The spoon competitions were played each week during the spring and late summer, and the golfer turning in the lowest score during the season keeps possession of the spoon. Mrs. R. Lawrence was the winner of the second light and Mrs. Charles Simpson took the third light.

Over 200 Attend Anglican Church Harvest Supper

Over 200 people attended the annual Harvest Supper which is featured by St. Cyprian's Anglican Church during the Thanksgiving season. Following the supper the first of their Thanksgiving services was held in the church, the service being presided over by the Governor of Saskatchewan. He stressed the point that in addition to material gifts people should be thankful for spiritual, mental and physical welfare.

THURSDAY, OCTOBER 13, 1938

He Will be Missed

MAJOR E. H. JONES, R.C., police magistrate for this district for close to twenty years, will be the honored guest at a Board of Trade banquet to be held on Monday, October 17. It is fitting that Mr. Jones, who leaves Lacombe this week to take up the police magistrate's duties at Camrose, should be honored in this fashion. He has been a worthy citizen of Lacombe since he bought out the law practice of J. I. Poole more than twenty-five years ago.

Mr. Jones has become an integral part of Lacombe. He has, for many years, been a member of the Town Council, and since 1932 has acted as Mayor of the Town. He will be missed—there is no doubt about that—but the best wishes of the entire district will be tendered him in his new position in a new town.

Support Your Hockey Club

WILL Lacombe have a hockey team this year? It's a doubtful question. Two meetings have been called by the executive of the club within the past two weeks, and at each meeting less than six turned out or evidenced any interest in the team. Many members of the executive themselves were not present at the meetings. That shows a singular lack of interest in what should be a point of lively interest on the part of every citizen.

Tenders for the hockey rink have been called for by the Town Council, but as yet no tenders have been received. In the past, the hockey club has leased the rink, using it for their regular scheduled games and renting it out for skating and for other sport events. This year, however, it looks as though the hockey club will be a defunct organization, supporting no team and being entirely inactive.

The mild weather of the past month or so might have something to do with the lack of interest. That is possible, but if the citizens of Lacombe want to see a hockey team here this year they must show interest in the forming of the team and the club behind the team. No sporting fraternity can exist without support, and the hockey club here is not getting that support.

We sincerely believe that, in the end, Lacombe will place a team on the hockey arena of the Central Alberta Hockey League this winter, but before this team is formed, residents of Lacombe must evince much more interest in the sport than they have in the past months.

Lacombe in past years made a name for itself in this sport, and it would be a pity to see it pass out of the picture entirely.

Will you support the team?

Britain and Germany

(From the Christian Science Monitor)

HOW much does the Hitler-Chamberlain agreement mean? In some quarters it is being read as an Anglo-German alliance; in others as a mere gesture designed to make the partition of Czechoslovakia more palatable to Englishmen.

It is neither. It unquestionably expresses a sincere aspiration on the part of both signers. Herr Hitler has for fifteen years made friendship with Britain the key to his foreign policy. Mr. Chamberlain has sacrificed much to this conviction that by consultation a way can and must be found for Germany and Britain to live together peacefully. In the past, the hockey club has leased the rink, using it for their regular scheduled games and renting it out for skating and for other sport events. This year, however, it looks as though the hockey club will be a defunct organization, supporting no team and being entirely inactive.

Who Will be the Next Victim?

LAST year the Fire Demon numbered among his victims in Canada 246 men, women and children. However gloomy a picture this brings before our mind's eye, it is brightened somewhat in the fact that this was a reduction of 101 over the previous year. In 1936, 189 children lost their lives by fire, while in 1937, 103 children's lives were claimed. This is a staggering admission and the responsibility for such tragedies can in many cases be laid directly to the negligence of parents who far too often leave their helpless little ones alone in the house while they visit neighbors or go to a show. These holocausts frequently occur in rural districts where neighbors are long distances away and the parents are unable to reach their burning homes in time to save their children from a horrible death.

Every parent should realize that it is his duty to teach his children the principles of fire prevention. They should not be allowed to play with fire, matches should be kept out of their reach and playing with celluloid toys should be discouraged. By a strict adherence to the use of common sense, parents can thus save themselves the bitter anguish and life-long regret which must be ever-present when a child perishes by their neglect.

Through the Eyes of a Country Woman

By BRIDGET

Sometimes an actor will "dry up," and forget his words; amongst screen folk it is called "blowing up"; an author will go flat and have to quit writing; but a columnist, with the world for an auditor, should never be at a loss for a subject, or a word or two. I am not so easily at a loss for a subject, but my head is so full of Czechoslovakia, and the injustices to which she has had to submit, that I find myself in the awkward position of not being able to tear myself away from this subject, especially as so many incorrect statements are being made to justify the crucifixion of the Czechs.

It is always stimulating to one's vanity to find a great personage uttering exactly the sentiments one has already penned. Wickham Steed was for years editor of one of the greatest and most sane English newspapers, the London Times. So, it was with much pleasure that I read an excerpt in the "Western Farm Leader," quoted from the Winnipeg "Free Press," under his signature, and very appropriately headed "The Capitulation."

Last week I pictured Czechoslovakia as a victim, about to be chopped up; Mr. Steed speaks of "presenting Hitler, without a struggle, with the mutilated body of his victim." I would like to quote the whole of the excerpt I read, but I suppose it might be taken for a sign of laziness! The first sentence is extremely enlightening: "The reason why the Czechs were first singled out for destruction is not the sufferings, real or imagined, of the Sudetens, but the Czechs stood as the first obstacle in German ambitions." I would like to quote the whole of the excerpt I read, but I suppose it might be taken for a sign of laziness! The first sentence is extremely enlightening: "The reason why the Czechs were first singled out for destruction is not the sufferings, real or imagined, of the Sudetens, but the Czechs stood as the first obstacle in German ambitions." I would like to quote the whole of the excerpt I read, but I suppose it might be taken for a sign of laziness!

A French expert on foreign affairs wrote after the signing of the "Four-Power Pact," that "no competent observer of international affairs, although relieved from immediate anxiety, could share in the popular rejoicing."

The attitude that Germany was only fighting for what was really hers, shows a lack of understanding of the fundamental questions involved in this dispute.

I lived for a year in Teschen, Ober-Schlesien, one of the regions in dispute, and although this rich district belonged to the Austrian Empire, the German speaking people were in the minority, although they compelled the rest of the population to use their language. The Germans were the white-collar overlords, and the Bohemians, the Czechs and Poles the servants.

The Treaty of Versailles was full of mistakes, but this mistake was of much earlier date, in that this country should NEVER have been in the Austrian Empire. There is the root of the whole thing; the trouble is not twenty years old, but five times that, and more.

On the radio, reports are coming through that more towns are being occupied by the Germans than the "Four-Power Pact" agreed upon. Isn't that to be expected? Czechoslovakia stands in the way of German ambitions and she will be annihilated by "fair" means or foul.

Why does this country, thousands of miles away, mean so much to all thinking folk, and why does its problem disturb us so much? Is it not because it is really just a repetition of 1914? A small country was attacked then, and the world was told that no decent person would stand by and see a smaller nation annihilated. Our chivalry was appealed to, and it responded by the laying down of thousands and thousands of young lives on Flanders Fields. Our sense of chivalry is still today, and it is moved to vast pity for an innocent victim, that our leaders have told us to be left, and allowed to die in agony—alone!

Arbitration and round table talks could help to avert war, but when one side is not allowed to be present at such deliberations, what permanent security is gained?

The whole idea of arbitration is in line with the vision embodied in the League of Nations. People may scoff at the League, but the whole foundation of that body was a table around which all the nations of the world could gather and discuss their various grievances and problems. Why has it failed? It has only failed because nations of the world have failed it. They grew greedy and coveted their neighbor's property. This left the League, and TOOK their neighbor's property.

The fault does not lie in the League of Nations itself, but in the members, the ex-members and the non-members of the League. How far from the high ideals that gave birth to the League are these "Four-Power Pacts," where four nations meet, and say what they intend to force a fifth to do! Rather far removed from British ideals of justice!

It doesn't matter if it is Czechoslovakia, Austria, Abyssinia, Spain, China or any other country, the principle of the whole thing is wrong—dead wrong; "might" taking the place of "right." Aren't we civilized yet? Must we for all time bow down to force as the only arbitrator of our destinies? Heaven forbid!

"The diplomatic machinations of the Western democracies are only evidence of their failure; it is better that the Nazi ideology should perish of its own disease—rather than be murdered by outside democracy, and that they are prepared to stretch every nerve to spare the world, including the German people, a catastrophe."—Dorothy Thompson.

"How'd I get to the top? I just socks 'em good and plenty."—Joe Louis.

Blackfralds

(From Our Own Correspondent)

BLACKFALDS. — The W. W. Club held a very successful dance last Wednesday night and the attendance beat all recent records for dances hereabouts, so the ladies made a financial success of it. As an inducement, a radio was offered to the lucky ticket holder, and the fortunate winner was Miss Robbie Fackler. At a meeting the following day, the ladies decided to hold a free supper this Friday for their husbands and all others interested in the hall. They have also arranged to hold their annual chicken supper later in the month.

The United Church held its annual Thanksgiving Service last Sunday, and the church was very tastefully decorated for the occasion by the Crusaders under the direction of Mrs. J. V. N. Miller. The girls' choir also gave us a selection and a duet by Mrs. Walters and Mrs. Lyons of Lacombe was an added feature. We were also glad to have Miss Elsie Walker at the organ for the occasion. Mr. Carson announced that he hopes to start the Sunday School next Sunday. Some delay had occurred in the arrival of the literature he had ordered for this purpose.

Anglican Church Service. The Anglican church also held a well attended service last Sunday, conducted by E. H. Jones of Lacombe. They hope to hold their Thanksgiving service Oct. 23 and are also holding a tea this week-end to buy fuel for the school.

Among those who came home for Thanksgiving were, Miss Winnifred Moss, John Farewell and Mr. and Mrs. H. H. Hendersen. Ladies out west organized a shower in honor of Mrs. Minton on Monday at the home of Mrs. Harry Pickering and presented her with many useful gifts.

Another shower was held at the home of Mrs. Robert Pickering last Tuesday in honor of the former Miss Jean Mon, now Mrs. Nelson, who received many nice presents.

Mr. and Mrs. Hamilton have moved into the house recently vacated by the Bells.

Saw the Grads Play. Among those with this district who attended Percy Taggart's call for support for the Grads in Edmonton were Roy Matthews, Bob Farewell, Mr. Olsen and the Martins.

Miss Edith Mass came home on a visit to her mother for the week end of Oct. 2.

Janice Capron was in Edmonton over the week-end, accompanied by Robert Reynolds, who with his sister Frances of Clive, was spending the week-end here.

The World of Wheat

"Where can I obtain a large quantity of reasonably good seed of the variety I want? I cannot afford to buy Registered or Certified seed for the two or three hundred acres that I shall sow."

I am receiving many queries like this from farmers who desire to change to a new variety over their whole farm.

My advice to those who require a large quantity of good seed and of good quality, is that they should acquire from the Elevator Agent for the names of their neighbors whose samples graded an "A" this summer in the "Crop Testing Plan" plots.

"Crop Testing Plan" "A" stock is true-to-variety to a good standard of excellence, and passing the test "A" is becoming more and more recognized as a mark of good seed; moreover, farmers who have stocks in their bins which graded "A" are usually willing to sell to their neighbors for a very small premium.

This year's "Crop Testing Plan" report revealed about ten thousand "A" stocks of Thatcher, Renown, Apex, Red Bobs, Garnet, Reward or Marquis.

Such "A" men, by selling to their neighbors, are certainly helping to improve the welfare of their fellow farmers.

Following factors have tended to raise prices—mainly trip, Remember Miss Jagoe, "You never tried," "Parlez-vous Francez?" Remember Miss Smith?

Or perhaps Mr. Laverly "How do you make 'plaster'?" Or maybe Mr. Aikenhead, "My, can't you walk faster?" Whose is the teacher, whatever the phrase, Ah! Lacombe High School, those were the days!

TOM REYNOLDS' SISTER-IN-LAW KILLED IN ACCIDENT

Tom Reynolds left Lacombe last week for Great Falls, Mont., where he will visit his brother Herb, who recently lost his wife in a fatal motor accident. The death occurred when the car in which Herbert and his wife were driving was struck by a big truck. Mr. Reynolds died in the hospital 48 hours after the accident.

Eastern Comments Received on Local Garage Equipment

The recently announced up-to-date and modern Alente equipment installed in the local garage of Laird Motors, which was published in the Lacombe Globe with illustrations, has brought favorable comment from trade papers in Eastern Canada and also from the Stewart-Warner Alente Corporation, Belleville, Ont.

That the new equipment ranks with the best in Canada is gained from a letter received from those in authority, which states in part as follows: "I would like to state in respect to the lubrication department, that it is second to none in appearance or efficiency. This statement would go, not only for the Dominion of Canada, but practically anywhere on the continent." Such comment is not only a credit to Laird Motors but to the town and district, which enjoys service of this calibre.

OUT OF THE PAST. Remember Miss young and her manly stride, Remember Miss Kingsbury's jaunty trip, Remember Miss Jagoe, "You never tried," "Parlez-vous Francez?" Remember Miss Smith? Or perhaps Mr. Laverly "How do you make 'plaster'?" Or maybe Mr. Aikenhead, "My, can't you walk faster?" Whose is the teacher, whatever the phrase, Ah! Lacombe High School, those were the days!

NOW THEY MAKE THEIR OWN RADIOS

LONDON. — When a radio corporation, which formerly supplied receiving sets to the English Co-operative Wholesale Society, forbade the Society to pay patronage refunds on radios, business relations were immediately severed. The C.W.S. called on its huge reserves and went into the manufacture of radios, which were appropriately called "Defiant."

BOSTON BAKED BEANS — Two cups dried beans, ¼ teaspoon pepper, 1 small onion, ½ cup dark corn syrup, ¼ teaspoon soda, ½ teaspoon salt, ½ teaspoon mustard, 2 ounces salt pork.

Wash the beans in several waters and let them soak in cold water overnight. Add the baking soda, and cook in the soaking water until the skins begin to loosen. Slice the salt pork and place one-half of it in the bottom of a bean pot, or crock. Add half of the beans and sprinkle over them half the seasoning. Add the rest of beans and the remaining seasoning. Peel the onion and bury it in the beans. Now, over the top, drizzle the syrup. Spread the rest of the sliced salt pork also over the top, and add just enough boiling water to keep down to the bottom, but not too much. Cover and bake in a slow oven (300 degrees F.) for about four hours, or until the beans are dark and meaty, and the water has been absorbed.

Government Explains New Credit Scheme to Citizens

By T. B. WINDROSS

EDMONTON, Alta.—Light was
thrown on the Alberta Govern-
ment's new plan for issuing
credit to the people during the
past week, but not enough light
to make the plan understandable
or to solve the mystery of how
the money deposited by those
"customers" of the new credit
houses is to be refunded or the
credit slips redeemed. Premier
Aberhart in a statement to the
press enlarged greatly on the
way the press is "misrepresent-
ing" the Government's scheme,
but when he was through he had
made confusion more confounded.

Five "credit houses" were
opened lately at Grande Prairie,
St. Paul, Rocky Mountain House,
Killam and Andrews. At each
place cabinet ministers or promi-
nent Social Credit members of the
legislature officiated at the open-
ing ceremonies.
Some indication of the support
being given to this new "credit"
scheme of Premier Aberhart's,
designed to increase purchasing
power and encourage the manu-
facture and sale of Alberta-made
goods, may be learned from the
fact that reports from the five
points where the scheme was in-
augurated show that at Grande
Prairie five accounts were opened
and two contracts to accept the
"credit slips" were signed by
merchants. At Andrews it was
stated that the "credit house" on
Saturday that 25 persons had
opened accounts ranging from
\$10 to \$100. Here it was stated
18 merchants had signed the con-
tract.

Pay Under Protest
Just as the British and allied
governments agreed to grant
some demands to Germany last
week in order to prevent aggres-
sion as a means of preserving
peace, so the banks agreed to
meet, at least temporarily, sub-
ject to conference and possibly a
test case, the demand of the Gov-
ernment for extra taxation of the
banks. It was agreed to pay
over to the Alberta Government
(under protest pending examina-
tion of legal justification for the
demand) a total of \$106,000 in
surpluses in addition to the other
\$224,000 which the eight banks
already pay directly to the prov-
ince.

Autumn is the Time To Burn Rubbish

At this season of the year when the natural beauty of the flower garden is fading, one's thoughts turn to next year and the formation of plans for improving both the annual and perennial border. When any improvement is under consideration, there are naturally some things to be considered, which, this year, interfered with the production of perfect results and probably the first thought will include the many different insects which were often a trial and contributed towards making the garden a comparative wilderness.

It should be realized that much can be done in the autumn to reduce the insect population of the following year. There are numerous ways of doing this, but perhaps the destruction of plant refuse, preferably by burning, is one of the most productive results. Many of the most common insect species pass the winter underneath debris lying in the fields and gardens. The established plant bug, the green eye of some of the most cherished flowers, is among the number. The destruction of refuse also kills those insects that, just before the winter, pupae inside the stems or in cocoons attached to leaves and stalks.

Insect eggs laid on different parts of the plant will also be destroyed by this very useful practice. Cutworms of many species hibernates in the egg stage, the eggs being deposited on the standing grass and weeds. Pulling and burning such will be found very helpful. Spading over the ground in the autumn tends to bring to the surface many garden insects, which will be killed by the frequent temperature changes so common in autumn and spring. Such cultivation also tends to put the land in better heart, promoting early and rapid growth of plants in the spring which, due to their increased vigor, will be less liable to attack by insect enemies.

RENOVATIONS TO PRODUCE GROCERIES AT CAMPBELL'S. Renovations are being made at A. M. Campbell's Ltd., where a modern grocery will take the place of the former grocery department. Tables are being arranged, the counter taken out and island displays will be placed around the floor. The management of the store is to be congratulated on their modern renovation.

the garden should be burned over where dry, as the eggs of the most destructive borers are to be found adhering to such plants. The gathering and burning of egg masses, cocoons, webs and nests on shrubs, ornamental trees or adhering to fences, garden furniture and buildings is strongly recommended. In this way the numbers of such common insects as tent caterpillars, tussock moths, cabbage worms, etc., will be very materially reduced.

In the autumn, ornamental trees and shrubs, as well as fruit trees and bushes of all kinds, must be carefully examined for the presence of dead twigs, branches and canes. When found, these should be cut off and burned, as insects commonly hibernates within, hidden away in tunnels or cavities formed there while feeding.

Such practices, coming under the general heading of garden sanitation, will be found most beneficial not only in reducing the number of insects present but in promoting the general well-being of the garden.

Lincoln

(From Our Own Correspondent)

LINCOLN.—Mr. and Mrs. Chas. Carter have decided to leave our district and have moved to Camrose to live. Their son, Floyd, has rented the farm. Congratulations to Mr. and Mrs. Glen Adcock on the birth of a daughter, also to Mr. and Mrs. George Kamiah on the birth of a daughter.

Mr. and Mrs. Gordon Gilbert spent the Thanksgiving holiday with Mr. and Mrs. Ab Saunders. A number of young folks attended the dance Monday night at the Pavilion, but some of the ladies came home rather disappointed when Miss Jean Saunders of Woody Nook district beat them out of the diamond ring that was given away on the lucky spot dance. Congratulations go to Jean from her friends.

Mr. and Mrs. Frank Gustafson, old-timers of the Lincoln district, are holding a sale and moving away from our community. Here's hoping no more of our good neighbors take such notions. Miss Mariel Thomson and Albert Dool spent last week-end with Reubert Smith.

Mr. and Mrs. Acheson have moved to the Iowalla district in Mrs. Taylor's house.

Water sellers now convey water to Jerusalem in old gasoline cans loaded on donkey's backs.

Police Court News

B. Crossman of Edmonton was fined \$15 and costs when he appeared before Magistrate E. H. Jones on a charge of speeding recently. He pleaded guilty.

Four vagrants appeared before Magistrate Jones last week. All pleaded guilty. Three were fined \$5 and costs and the fourth was sentenced to 30 days imprisonment.

A. Lott appeared before Magistrate Jones recently on a charge of stealing two chickens from Mrs. A. Shaw of Lacombe. He was fined \$5 and costs for the theft and ordered to make restitution for the chickens to the lawful owner.

W. Nichols, appearing on a charge of intoxication before the magistrate early this month, was fined \$20 and costs.

K. M. Leach, owner of Roman Marcus, this year's Alberta Derby winner, is a Calgary theatre man.
